

PRESIDENT'S MESSAGE

To me the main objective of the Thompson Community Foundation has been to grow its endowment fund in order to serve the community better. The interest from this fund is used by charitable organizations to address Thompson's greatest needs including education, poverty reduction and strengthening neighbourhoods. It also supports the arts and environment.

I believe we have had success in this. The endowment fund has now reached \$1,880,290.53. This year we were also able to fund 10 agencies for a total of \$104,919.90.

I would first like to take this opportunity to say thank you to everyone who has supported and donated to the Foundation. Your support has allowed the Thompson Community Foundation to provide critical funds to community programs.

Through the annual Fall Gala held in September, the Memorial Christmas tree at the City Centre Mall in December and our recent Spud, Bud and Steak event held in April, we have increased the awareness of what the Foundation is about, and in turn, we were able to grow the endowment fund.

I would also like to thank the Board for your work

and dedication over the last year. I would also like to thank Tammy Cober for everything she does for the Foundation.

If you have any questions about the Thompson Community Foundation or would like to make a donation, please do not hesitate to contact Tammy or any of our board members.

Respectfully submitted,
Colin Bonnycastle
President

MEMORIAL FUNDS

Memorial gifts are a thoughtful way of honoring the memory of a family member, friend or colleague who has passed away. Very often, families of the deceased prefer gifts to charity be made in lieu of flowers. Memorial gifts made to the Thompson Community Foundation qualify as charitable donations. Donors will receive a tax receipt and the family of the deceased will receive a card acknowledging your gift. A memorial gift to the Thompson Community Foundation remembers your loved one each year in our printed Annual Report and on our Memorial Page on our website.
