

## PRESIDENT'S MESSAGE

The mission of the Thompson Community Foundation is to create a growing investment pool of capital resources and use revenue earned by the capital pool to benefit the community of Thompson.

The Foundation's mandate is to broadly distribute our grant funding available to best enrich the lives of all residents in the City of Thompson.

The world has been an interesting place this year. As always, we welcome new people into our lives and say goodbye to old friends. One particular person we said goodbye to was Gail Morberg. Gail was one of the foundations founding members 25 years ago in 1995. Gail's spirit and passion were instrumental in setting up the foundation and is still felt today. We send our thoughts to the family and wish them well in the future.

The endowment fund over 25 years has grown to \$2,031,789. With this growth, we were able to give back

\$132,402.26 to the community in 2020.

This was only possible because of the wide range of donors and supporters over the years and we thank each and everyone of you for your support, you are the true heroes of our wonderful community.

I'd also like to thank our Executive Director, Tammy Cober for her dedication and all the board members for their time and dedication they commit to the foundation.

This past September during our Fall Gala, Fred Palmer was awarded the Order of Thompson. Fred has spent many years giving back to Thompson and we thank him for his continued service to the community.

We continue to raise awareness through the Memorial Christmas tree at the City Centre Mall and our wine tasting and Fall Gala events. You can also find us on social media and online as well promoting awareness for the foundation.

There's a saying that a person should leave something

better off than when it started. As time goes on, faces change on our board and this year we're saying goodbye to two very dedicated, community minded individuals, Sherrie Kreuger & Tim Johnston. Tim & Sherrie, all of us currently on the board, the past members that served with you and the community as a whole thank you from the bottom of our hearts for everything you've done for the foundation during your time on the board. It goes without saying, the foundation is very well positioned today because of your guidance over the past 6 years.

To find out more about the Thompson Community Foundation or would like to make a donation, please do not hesitate to contact Tammy or any of our Board members.

Respectfully submitted,  
**Jimmy Pelk**  
President

## MEMORIAL FUNDS

Memorial gifts are a thoughtful way of honoring the memory of a family member, friend or colleague who has passed away. Very often, families of the deceased prefer gifts to charity be made in lieu of flowers. Memorial gifts made to the Thompson Community Foundation qualify as charitable donations. Donors will receive a tax receipt and the family of the deceased will receive a card acknowledging your gift. A memorial gift to the Thompson Community Foundation remembers your loved one each year in our printed Annual Report and on our Memorial Page on our website.
